

Environmental Policy

In order to minimise our environmental impact we are committed to:

- Comply with relevant environmental legislation and regulations
- Continual improvement in our environmental performance and minimising the risks of pollution arising on our sites
- Promote this policy throughout the Company and ensure that all staff receive environmental training appropriate to their role and responsibilities
- Make efficient use of natural resources by minimising waste and conserving energy and water
- Keep transport use to a minimum and regularly service our vehicles to maintain their efficiency
- Publish this policy on our website and provide copy to anyone who legitimately requests one
- Review this Policy annually to take into account of changes in organisation, legislation or other internal or external factors
